AGENDA TOPICS

6:00-6:10pm | Meet & Greet |

Discussion

1 New Member! Christina Neely

6:10-6:15pm | Mission Moment | Maya

Discussion

- 1) Alzheimer's in men is purported to be due to the loss of Y chromosome
- 2) Blood test being developed to allow for testing for the disease earlier on. To replace the cerebro-spinal fluid test.
- 3) Maya has launched a website, ALZScience.wordpress.com

Discussion

When people reach out to us for

Marisa Kress leads a Central Ohio 20-30 support group.

There is a training if you want to lead your own support group.

Would like to try to incorporate the Junior Committee into the 20-30 support group.

Kelly

Kirsti

Joe

Annie

There is a difficult conversation PDF that Kirsti will send out.

6:25-6:38pm | Special Events | Adam
