*Expanding on Education |*

**Discussion**

If anyone has ideas on how we could expand our education and education outreach - so we can be more armed with resources Alzheimer's Association has a lot of education information - "What's next, we can help"- Kirsti is sending to Brittany to add to website and share with the JC members.

Memory Strategies - OSU students help teach different memory strategies - trying to fill the gap: create a program where people with the disease & caregivers.

Anything we can do as a JC to educate, reach out, etc.
